CUSTOMER WARNING

Whilst our Gluten Free products are just that, it should be noted that deep-fried options such as our popular 'Fish & Chips' may be affected by cross-contamination of gluten molecules from other items containing gluten that have previously been cooked in our deep fryers.

Consequently, we would **NOT** recommend any of our deep-fried dishes to Coeliacs.

We cook our Fish & Chips the traditional way in Beef Dripping to enhance the flavour and for a healthy and nutritious dish. Natural Beef Dripping is low in Trans-Fats and is Non-Hydrogenated, so it's good for you!

If you prefer us to cook your food in Vegetable Oil, please just ask.

This rare example of an Eighteenth Century Inn dating back to 1722 was painstakingly restored by the present owner Christopher in 2010 and retains many of its original architectural features. We are proud of our tradition of old-fashioned hospitality and are keen you should enjoy it...
